Statement on the death of Mohammad Morsi

With heavy hearts we mourn the death of Mohammad Morsi – the first elected President of Egypt.

The death of Egypt’s only democratic ruler is symbolic of the state of freedom in Egypt today.

To mark the death Mr Morsi, we will be performing *salah al-ghaib/an* (absentee funeral prayer) this Friday 21 June, following Juma prayers.

We extend our condolences to his family, the people of Egypt and Muslims around the world.

Faithfully,

Abdurrahman Asaroglu
Chairperson
